

Keeping Poole and Bournemouth beautiful

The Poole and Bournemouth area is one of great natural beauty, with its 10 miles of golden beaches, the world's second largest natural harbour, and with more award-winning parks and beaches than any other destination! We are committed to ensuring our natural environment is beautiful for visitors and residents to enjoy all year round. Here are some easy steps to ensure you get the most out of your visit and help preserve this fantastic area.

Don't let Poole and Bournemouth go to waste! • We want you to enjoy a clean and litter free environment, so throughout the towns (and seafront) there are recycling and non-recycling bins for everyone to use. However, we would ask if you cannot find a bin please take your rubbish with you.

Try Local, Buy Local • We produce some of the best quality food and drink in the country and want to share it! To find the best food and drink keep an eye out for the Direct from Dorset Logo. Treat yourself to a uniquely Dorset experience!

Explore what's on your doorstep • There's something exciting to be found around every corner so stretch your legs and explore what's local. And for a better view, try travelling by bus, boat, train or bike and give the car a holiday! Poole and Bournemouth are well served by public transport - or try a local guided tour to the area and discover the hidden gems.

Get turned on but don't forget to turn off!

Help us save energy and water, please only use what you need.

Look after the Coast and Countryside

Our world famous coastline and stunning countryside is yours to enjoy. Take litter home, keep dogs under close control, close gates, consider other people... and have a great time! Poole and Bournemouth are surrounded by heathland and woodland which can get tinder dry in the summer months, so please be careful.

Look for Tourism that Cares

Keep an eye out for tourism businesses that have been awarded for caring for their local communities and environment - The Green Tourism Business Scheme and David Bellamy awards are two top examples.

Thank you for choosing to stay in our area, we hope you enjoyed your visit and we look forward to welcoming you back soon.
